Craig Danielson is a very accomplished Western WI golfer and businessman. Craig once played to a scratch handicap and has his name on many awards and trophies in the clubhouse at Krooked Kreek Golf Course in Osceola, WI. Craig then gave all of that golf success up to become a full-time caddy and coach to his three children. Lindsay, Charlie, and Casey have combined to win 10 WIAA WI State titles--a record that will not likely ever be beaten! All three then went on to play Division 1 golf, with Charlie and Casey now playing golf at the professional level. Craig has a passion for sharing his knowledge of the game of golf with junior golfers through organizations such as The First Tee. We are lucky to have him speaking at our clinic and to hear a few of the tips and training methods that have helped create a legendary golf family.
